TOWN WARRANT.

STATE OF NEW HAMPSHIRE.

[L. S.] *To the inhabitants of the Town of Wilton, in the County of Hillsborough in said state qualified to vote in Town affairs.*

You are hereby notified to meet at the Town Hall, in said Wilton, on Tuesday the eighth day of March, next, at nine of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same; including support of schools, maintenance of poor, for repairs of roads and bridges, for Memorial Day, for lighting streets and miscellaneous expenses.

3. To hear the report of agents, auditors, committees, and all other officers heretofore chosen and pass any vote relating thereto.

4. To see if the town will grant free use of the Town Hall on Memorial Day and evening to Abiel A. Livermore Post, G. A. R.

5. To see if the town will vote to grant the free use of the Town Hall, Friday afternoon preceding Memorial Day, for memorial exercises of the public schools and one evening to the High School graduating class.

6. To see if the town will vote to raise and appropriate fifteen hundred dollars (being \$30 each for fifty hy-

drants), or any other sum to be applied to the credit of the water works for hydrant service.

7. To see what sum the the town will vote to raise and appropriate for the laying of service pipes for the water works, and the general improvement, care and maintenance of the water works system.

8. To see what sum of money the town will vote to raise and appropriate for the care and support of the public library building and lot.

9. To see what action the town will take in relation to installing more street lights.

10. To see if the town will vote to raise and appropriate the amount of money necessary to secure State Aid for the permanent improvement of highways, under the law passed at the January session, 1905.

11. To see if the town will grant free use of the Town Hall and supper room, one evening in the year to the Fire Department for its annual party.

12. To see what sum of money the town will raise straighten the highway on Dale street at a point near the moth.

13. To see if the town will vote to widen and straighten the highway on Dale street at a uoint near the residence of George Blanchard, and raise and appropriate money for the same.

14. To see if the town will vote to rescind the resolution passed at the annual town meeting held March 9, 1897, in regard to the construction of sidewalks, and adopt the provisions of Chapter 79 of the Public Statutes, so far as it relates to sidewalks.

15. To see if the town will vote to rescind so much of the resolution passed at the annual town meeting held March 9, 1909, which authorized the construction of a sidewalk on Dale Street as relates to the waiver of land damages and the wideing of said street before said sidewalk is built, or take any other action in relation thereto.

16. To see what action the town will take regarding the oiling of the State Road and raise and appropriate money for the same.

17. To see if the town will vote to employ a night officer and raise and appropriate money for the same.

18. To transact any other business that may legally come before said meeting.

Given under our hands and seal this nineteenth day of February, in the year of our Lord, nineteen hundred and ten.

HENRY V. TUTTLE.
ORVILLE H. FRYE,
WILLIAM E. FOISIE,

Selectmen of Wilton.

\$4,023.93

By the foregoing report it will readily be seen that our Water Works system has been self-supporting with a substantial increase in its income account, due largely to new services added; also that it has cost less for general care and maintenance than in former years. On April 1, our superintendent, Mr. Geo. D. May, tendered his resignation which was accepted and Mr. T. F. Broderick was appointed to fill the vacancy, who faithfully attended to the duties pertaining to the office till early fall, when upon leaving town to accept another position we were obliged with much regret, to accept his resignation. We were, however, fortunate in securing the services of Mr. Geo. Nutter to look after our interests.

At the last annual March meeting it was voted to raise and appropriate the sum of five hundred dollars to be available for necessary repairs at the reservoir. A thorough inspection of the dam was made after the ice cleared away in the spring, and it was found that temporary repairs late in the previous season had made it practically water tight, only two or three sections showing a slight leak. We deemed it unwise to expend any part of the money appropriated at this time.

In our last annual report we recommended that some action be taken toward establishing a storage reservoir to be available should occasion require and it was voted that the board of water commissioners make suitable investigation in regard to the matter and report at the next annual meeting. We have attended to that part of our duty and beg

to submit the following: We have spent considerable time (but no money) in looking over our water shed, and its possibilities, and after a careful consideration of the same concluded could make no better recommendation than was submitted by Mr. A. W. Dudley, C. E., and a former committee consisting of Isaac S. Whiting, Charles E. Weeks and Starr B. Center, when they said in substance that they believed it essential that the ownership or control of Burton Pond be acquired for the purpose of a storage reservoir. We believe some suitable adjustment of the matter can be made with Dr. E. B. Frye, the present owner, that will be satisfactory to all parties interested.

The season of 1909 was one of the dryest on record and many streams throughout the town were entirely exhausted, our reservoir for several weeks, barely held its own and on two occasions the water was so low as to cause much alarm. To provide for just such emergencies as these it is apparent that the town should take immediate action to insure an adequate water supply.

Respectfully submitted,

GEO. G. TOLFORD,

E. J. HOPKINS,

P. J. ABBOT,

Water Commissioners.

SEWER COMMISSIONERS' REPORT.

The sewerage system during the past year has been given the necessary care and attention it requires. Several connections have been made since our last report. We believe it the duty and for the advantage of all abutters to connect with our excellent system of sewers and earnestly recommend that those who have not should do so as soon as practicable.

GENERAL EXPENSE.

Erland Frye, cutting moths' nests.	6.30

\$186.20

CARE OF HEARSE.

W. E. Foisie, axle grease	\$.25
John Barry, washing hearse	3.50
Walter Young, washing hearse ..	.50

\$4.25

NEW ROAD, 585 FEET.

A. D. Young, team and labor	\$45.00
F. W. Wood, team and labor	36.00
Granville Stearns, labor	14.00
J. E. Fitzgerald, labor	8.00
D. Whiting & Sons, gravel	.40
	\$103.40
	\$293.85

There remains in the hands of the committee, \$19.01, the unexpended balance from the appropriation for re-setting stones. There has been no occasion to draw upon this fund during the past year.

It will be seen by the foregoing statement that one hundred and three dollars and forty cents was expended for five hundred and eighty-five feet of new road in the village cemetery, which is quite an improvement to the yard.

The grounds of the various cemeteries have been well kept, and are in an improved condition. There are no outstanding bills contracted by the committee. All of the income from the special deposits for individual lots, as seemed necessary, has been expended, and all of these lots are in good condition.

The committee has been able to keep their expenditures within the amount appropriated, leaving a slight balance on hand, and suggest that the usual sum of three hundred dollars for the general care of the cemeteries be raised, and in addition that a sum of one hundred dollars be raised and appropriated for permanent roads and for general improvements in Mount Calvary cemetery, said sum to be expended under the supervision of the cemetery committee. These amounts, we think, properly distributed and expended, will

be sufficient to keep the cemeteries in their present good condition.

The committee desires to express its appreciation for the hearty co-operation and able service rendered the board by the late Hon. C. H. Burns.

Respectfully submitted,

DAVID WHITNEY,
JOHN E. FITZGERALD,

Cemetery Committee.

BOARD OF ENGINEERS' REPORT.

Our annual report to the citizens of Wilton is as follows:

Equipments

We purchased for the Fire Department, three sets of new hose couplings, Hilton patent, at an expense of (\$50.00) fifty dollars.

Services—

The department answered to fourteen calls during the past year. Our summary of loss and property directly involved is as follows:

Fire loss on buildings	\$1,910.00
On buildings valued at	3,550.00
Insurance carried on same	2,300.00
Insurance paid	1,060.00
Fire loss on personal property	67.50
On property valued at	432.00
No insurance.	

The burning of a car belonging to the Boston & Maine R. R., within town limits, is not reckoned in these tabulations as no figures were given us. Also the burning of a freight car loaded with wool at Pine Valley station to which the department responded and being outside of the town limits, no figures were taken.

Our efforts to sell Excelsior hand tub have not met with success.

Needs of the department for the present year: Half a dozen hand chemicals, a few minor repairs to present equipment and a new floor in the engine house, this should be of concrete.

We thank the public for their assistance and appreciation of our efforts.

Respectfully submitted,

M. J. HERLIHY,
FRANK E. PROCTOR,
D. M. BRENNAN,

Board of Engineers.

REPORT OF FIRE WARDEN.

The loss by forest fires the past year was very light, considering the inflammable condition of wooded sections a part of the year.

Number of calls for assistance	6
Number of acres burned over	36
Damage to lumber and growth	\$104.00
Cash paid for assistance and teams	\$13.00
Cash received of town	\$6.50
Cash received of R. L. Day	\$6.50

This does not include a call in Milford on land of Hillsboro Mills, for which Town of Milford paid for help and transportation.

My successor, Frank E. Proctor, respectfully asks for your co-operation and assistance in the discharge of his duties to reduce this fire loss to the minimum.

Respectfully submitted,

M. J. HERLIHY,

Fire Warden.
